A message from WENDY

This is a local election about local issues. It won't change the Government - but it's important to ensure Dene ward continues to have an effective and experienced councillor representing our area.

It's all about choosing a councillor who will

- speak up for our area & will always put it first, ahead of the interests of the council or political party
- who will work hard all year round, keep in touch, and report back regularly
- who has a proven record of local action and support for our community and opposing cuts to local services

The Lib Dem FOCUS Team have a proven track record of making a difference for Dene ward. Re-elect me & keep the FOCUS Team working hard for you & our area.

Thank you for all your efforts in supporting the community of Dene Ward. Mrs W H Heaton

I'm voting Liberal Democrat as you're the only party to contact me & listen to my views. 18 year old first time voter

No other party/councillor has taken any interest in this area or worked as hard to address our concerns as our Lib Dem councillors. Mrs B Benton Lodge

You work so hard for the ward and I'm very grateful for what you do.
Mrs H High Heaton

Retaining Lib Dems for Dene Ward is vital so your good work for the area can continue. Ms R -Haydon Grange
