

ONLY THE LIB DEMS FOCUS ON LOCAL ISSUES IN NORTH HEATON: A RECORD OF ACTION ALL YEAR ROUND, A PROMISE OF MORE

Just a few of the local initiatives the Lib Dem FOCUS Team have worked on recently – there's no room for the others!

3 good reasons to vote for CHRISTINE MORRISSEY for North Heaton on May 7th

1 Christine will be an effective voice for our area

Working closely with GREG and DOREEN, CHRISTINE will be an effective member of the FOCUS Team who will get involved in tackling local problems and keeping in touch with local residents and groups. She will bring useful skills and knowledge to bear from her professional background as a nurse and as a teacher of children with special educational needs, and will speak up and campaign on the need to improve local provision for children and for older people.

2 Christine will put local priorities ahead of party politics

CHRISTINE will always put local priorities first, not the instructions of the Labour council leadership. She will focus on the issues that are important to local people: protecting our area's quality of life, common sense solutions to problems, and value for money for our council tax. CHRISTINE will stand up for local services and seek a better deal from the Labour council on road and pavement repairs, street cleaning, and bin collections

3 Making North Heaton cleaner, greener, & safer

The Lib Dem FOCUS team has a strong record of working to make North Heaton cleaner, greener, and safer. If elected, CHRISTINE will work to safeguard our local environment, parks, and green spaces and encourage more community involvement, hold regular meetings with local police teams, and press the council for faster progress on speed reduction schemes, cycling improvements, and better street cleaning.

The local election is about local issues in North Heaton and across Newcastle - not national issues! Vote for a proven record of action in North Heaton and doing a better job of running Newcastle City Council! On May 7th, vote for
